

# SUMMATIVE ASSESSMENT RATINGS

Name of published scheme:

Half Termly Rising Stars Assessment (GPS, Reading, Maths)

Brief description of the scheme:

Half termly tests that assess if pupils are age related in core areas at given point in the academic year. Available Year 1 to Year 6.

Impact

Pros:

Good to use as a diagnostic tool to assess individual / group

Assesses if pupils are on track for ARE at the end of year. Easy to administer (Can be TA's) 30 minutes each test.

Cons:

Can be overload if you already have other tests at the end of half term.

Need to administer various tests. (In year 6 you may have pupils on Year 2 test, 3 test etc.)

Costings:

KS1 £250 each test (GPS, Reading & Maths)

KS2 £500 each test (GPS, Reading & Maths)

Ratio:

Whole class

Time:

30 minutes per test + 1 hour session to give pupils feedback on next steps / errors

User friendliness:

Step by step. Easy to administer. Clear mark scheme to show if pupils are working below, at or above ARE

Completed by (name and school): Tricia McGill – Newport Primary School
