

SUMMATIVE ASSESSMENT RATINGS

Name of published scheme:

Single Word Reading Test 6-16 (SWRT6-16)
nferNelson 2007

Brief description of the scheme:

Graded single word reading test
2 equivalent versions of the test

Impact

Pros:

- It gives a reading age and standard score.
- Quick to assess on a 1-1 basis
- Easy to administer

Cons:

- Do not over use, so that children remember the words.
- Do not administer in a classroom where other children can hear responses.

Costings:

Ratio:

1-1

Time:

5 minutes per child.

User friendliness:

Very

If you employ a 'Learning and Language Team' teacher check which version they use, so school can use the alternative version.

Completed by (name and school): D. Bartle (learning and language team)
