The Diana Award Anti-Bullying Campaign would like to invite you to our Be Strong online Ambassador Regional Training Day!

What is a Be Strong Online Ambassador training day?

The Be Strong Online Ambassador Training Days are all-day events in which young people will be trained as Be Strong Online Ambassadors. These students will go on to run online safety campaigns, sessions and assemblies in your school to help their peers increase their digital resilience. The training events provide a great opportunity to meet and share ideas with passionate staff, professionals and young people from schools, academies and organisations in your local area.

Who is the training for?

This training is aimed at young people in Year 8 and above from schools across the United Kingdom.

What will students learn from the day?

Students will leave the day feeling inspired and full of fantastic ideas to run their Be Strong Online campaign! The event will cover:

- Understanding the issues affecting young people online
- Overview of the topics covered by the programme – from cyberbullying and digital footprint to selfies, digital detox and more
- The positives and negatives of the online world
- How Be Strong Online Ambassadors can raise awareness of various online topics in school and provide support to other students
- A networking session with students from other schools to share ideas
- Video examples of schools we currently work with
- Action planning – helping students to think of a plan to take back to school and set targets and aims for their Be Strong Online work
- Plus lots more including fun games...!

FROM THE DIANA AWARD

What time does the event start and finish?

The event will start at 9.45am prompt (we ask that you arrive by 9.15am) and will finish at 3.00pm. It is crucial to the training that all staff and students remain for the whole day in order not to miss action planning and certificate presentations.

Do staff need to attend?

Yes, staff need to attend as they play a crucial part in supporting Be Strong Online teams and their success. Staff will work through their own staff workbook throughout the day and plan ideas with the team.

What if I need to cancel?

Although this event is fully funded by Vodafone and you are given the chance to train your students free of charge, a cancellation fee applies in the form of £10pp to cover the cost of resources and materials produced if you do not attend this event or give us minimum 2 working days' notice of cancellation.

Is school uniform required?

We suggest full school uniform as this will help your students think about their identity as Be Strong Online Ambassadors.

How many staff/students should attend from each school?

We recommend sending a team of between 6-15 young people per school to allow for a manageable team in order to implement the programme successfully. We recommend 2-3 members of staff depending on your group size. It is advisable to send a mixture of year groups to ensure you have Be Strong Online Ambassadors throughout the school.

Will lunch or refreshments be provided?

Both staff and students will need to bring their own packed lunch – refreshments will be provided.

Will there be any photographs/videos taken at the event?

Yes, we ask that you complete the photo consent form we send you once you have booked your places and bring this along on the day to confirm whether or not we have permission to take your students photographs.
