

EASTERSIDE HUB EMPLOYMENT EVENT 18th May 2018

- An employer/provider event is to be held at the Easterside Hub on the 18th May from 9.30 am to 12.30 pm.
- The event is to coincide with the well supported Work Club which runs at the same time.
- I am inviting a mixture of employers and providers to attend.
- The Easterside Hub has a Facebook page with over 500 followers, the event will be actively promoted on there.
- Additional promotion will also be through the local schools in addition to traditional promotion through the Jobcentre and Middlesbrough Council.
- This is a unique event in this geographical area and local residents have expressed a desire for such an event.
- If you would like to attend could you please email me on Steve_fox@middlesbrough.gov.uk or ring me on 07795 828943

Thank you

Steve Fox
