Get ready for DfE language proficiency codes Autumn Census 2018

Workshops Monday 21st May

9.30 a.m. 12 p.m. and 2.30 p.m.

(Each workshop will last for approximately 2 hours).

**Does your school need support to accurately classify DfE
language proficiency codes for all EAL pupils?**

We are offering a workshop session designed to help schools navigate the DfE language proficiency codes.

The workshop will include:

- ✚ How to support your staff in understanding the proficiency codes
- ✚ Overview of proficiency codes – case studies for example; ‘What does an A band child look like?’
- ✚ On entry assessments – getting the classification right first time
- ✚ Linking the bands to current assessment systems – NASSEA, Bell Foundation, NALDIC.
- ✚ Signposting to efficient, teacher-friendly resources to support assessments
- ✚ Resources – identifying resources for each proficiency band.
