Dear Sir or Madam,

As the Summer holidays approach, many parents will begin to think about their school uniform needs for September. We at M&S Middlesbrough would therefore like to take this opportunity to share our exciting range of products with you.

We now have more fits than ever in our school trousers, skirts, shirts and blouses – which come in various fits, lengths, and shapes. **We have included a leaflet explaining these fits further – please feel free to share this with your parents.** Our non-iron shirts and easy care items means children will always look smart, without ever having to get out the ironing board. High quality trousers and blazers come with Grow Proof hems, which can be unpicked and pressed for an extra 3cm, allowing uniforms to grow alongside their little-ones all year long while still looking good as new – giving peace of mind to let kids be kids.

This year our Back to School shop is bigger than ever, and from the 5th June we are offering 20% off school uniform. If you think this is something that would be of interest to your parents, then please **share the included 20% off leaflets** on your newsletters, social media or place them around the school.

We also want to take this opportunity to share our uniform Shwopping scheme – the M&S clothes recycling initiative. Please encourage your parents to bring their old school uniform into our store, where they can place items in one of our Shwop boxes. Their old uniform will be resold, reused or recycled, with funding projects around the world helping put an end to poverty. Sparks members can also collect 50 Sparks points when they show their Shwopping at the till. Parents can be made aware of this charitable scheme through the attached leaflet which can be sent home with the children.
