

Are you 16-25? Want to learn new skills?

Taster Day: Tuesday 12th June 2018

Programme Dates: 18th – 22nd June 2018

Meet new people and improve your digital skills by working on a group challenge to design and develop a game to show to an invited audience.

Not only will it help you discover new talents and develop new skills, but you'll also benefit from support from one of our mentors to help you uncover your next steps.

The course is free and lunch is provided. On the course you will:

- Work with experts in the Games Design industry
- Find out how computer games are designed and built
- Work with others to build a game including artwork, characters and sounds
- Use game design principles as part of a team to plan and make a game
- Present your game to a wider audience
- Meet new people and improve your communication and teamwork skills
- Explore arts Award Entry Level 3
