## **Connections made through globalbridge!**

We have been busy working with schools over the past few weeks to ensure that all young people are up-and-running on the globalbridge platform, with some fantastic connections already made!

These connections highlight how globalbridge is helping motivate people, which encouraged us to launch our new social media **#MondayMotivation** - weekly posts designed to inspire and enthuse!

## **globalbridge - "careers strategy starts in the North"**

globalbridge was last week featured in the September 'Supporting Inspirations' newsletter, produced by the Education Development Trust (EDT). The EDT aims to

transform lives by improving education around the world, and provides a range of research and support for teachers in various areas.

In the article, globalbridge was once again called a "unique platform", with the support it provides schools in meeting the new Gatsby benchmarks particularly emphasised.

### **STUDIO WEST School - A small school making a big difference!**

Last week globalbridge was introduced at Studio West School, Newcastle, with over 300 students launched onto the platform. The vision of Studio West is to deliver an innovative learning experience which equips young people with the business and enterprise skills for the challenges of the 21st century - a perfect partner for globalbridge!

"globalbridge is the perfect platform for our students to present their academic and sporting achievements to prospective employers and universities ultimately getting ahead of the game in a very competitive environment."

*Sam McLoughlin, Studio West business engagement manager*

### **CONNECTIONS MADE! NHSBSA offers TWO internships to Studio West students!**

Following the launch onto globalbridge, two Studio West Students were selected by the NHSBSA for their much sought after technology placements.

"globalbridge has been great for me, setting me up with an internship role at NHSBSA. Having just completed my GCSEs I think this will give me perfect experience of the work place and hopefully help me secure a degree apprenticeship in the future."

*Kieren, globalbridge user @Studio West School*
