MAP Annual Review 2017/18

Please find attached [here](#) the Middlesbrough Achievement Partnership (MAP) Annual Review for 2017/18. We hope you find this interesting and informative and we would welcome your feedback. We would also invite you to contact us if you would like to access any of the support or provision detailed in the review.

As you will be aware, MAP is currently delivering on the key strands of Removing Barriers to Learning, Parental Engagement (Parental Partnerships), Careers & Employability and Transition.

The attached review demonstrates the work carried out in the last academic year following the approval of the new MAP remit by the MAP Board and Delivery Groups.

We are now delivering Year 2 action plans with key areas of focus from the above strands including:

- Roll out and embedding of Restorative Practice approaches to schools through a whole school approach
- Parental engagement
- Delivery of parenting programmes
- Development and roll out of careers provision for primary schools
- Continued development of PSA network
- Continued development of Careers Leaders Network (Secondary)
- Establishment of Primary Careers Network
- Increased employer engagement linking schools and employers to support future opportunities and careers for young people
- Development and roll out of a Middlesbrough Aspiration Campaign
- Continuation of bespoke one to one support for individual schools
- Supporting effective transition
- Continued communication with schools
- Ongoing research to support the delivery of best practice

If you are interested in finding out more about the above or wish to access support in these areas, please contact map@middlesbrough.gov.uk

We look forward to continuing our work with schools and partners over the coming year.
